

The TRUSTStudy

(Technology-Based Resources to Increase Uptake of
Sexual Health Services for Teens)

Study to improve resources to increase alone time with providers

We're looking for adolescents aged 11 - 17 years old to take part in our study. Participants will:

- Complete two surveys
- Attend a well-child visit sometime before March 31, 2023
- Access 4 modules online
- Provide input on the learning modules

All work will be done remotely:

- Communication will occur through email, zoom, text messages and web.
- You will be paid \$70 for participating in this study

Are You Eligible?

- You are age 11-17 years old
- Receive primary care at one of the clinics we work with
- Fluent in English
- Have stable access to the internet
- Have a parent's permission to participate.
